My dear Sam.

I came from Absecon this m'g. leaving Mam-
ma very well, and the Carpenters about cleaning
up, so that she can come up to Media, Sat'y 21st
there she expects to make her headquarters
for such portion of the winter as she stays on this coast.
She expects to spend the greater part of Decem.
with Edith in Brooklyn, and we shall hope
to be on the Pacific Coast and make you a
visit together in early June - perhaps May, next.
I have just telegraphed you of the receipt of yours
of 19th - saying that I shall leave here 24th
inst. (immediately after Thanksgiving for
which I have put off starting a few days)
via Arizona. I expect to remain there
so long as I can and reach S. F. Decem. 15th
and want to be back in Philada. by Jany 10th '92
Please suggest ways and means of our meet-
ing: I should be at Tombstone from 5th to 10th Dec.
certainly; possibly a little earlier and a little later.
Let me hear from you there then, in addition to our
communications meantime at Palace, S. F. 15th Decem.

I was very glad indeed to get your letter and to learn that your cold is not bothering you much and that Geo. R's throat is better. I sincerely hope you will both be in condition beyond the reach of bad weather when it does come upon you.

I have read all the particulars you give me with great interest, but rather looked for a list of those delinquent. Nov. 1st. Perhaps your letter now on the way will contain it. You will, of course, draw on me at sight for any amount you may need to buy stock at delinquent sale: also for any purchases you think it wise to make before the sale. I will arrange with Isaac to pay the draft &c. as I shall leave the money of 27th or 28th. Better buy the 10.000 shares of C. in name of Stanford and we will fix it when I see you.

Use No 68 - $2750. - 30th of this month. I have more than that amt now in that bank but said that I should not draw until Decem. This latter statement was perhaps unnecessary but I deposited my own check on Phila. Cent. Nat. Bank

nd I did not want to ask any favors in the way of credit.
I have the money now on deposit in one place or the
ther, sufficient to pay all the assessment checks
I gave you, but should be glad if you can
et along as you suggest so as to allow me
he credit of a good balance in each bank
I will write you further when I have your
ext letter - as per telegraph. I can say now
hat all the different members of the family
re as well as usual so far as I know, only
hat your aunt Lizzie is laid up again -
nd now the trouble affects both knees: show -
ing I should think that the previous diag -
osis was in error. She is bright & cheerful.
I have been at church once since Sunday, the spring
weather but expect to go to Media tonight -
Paul was down over Sunday - the first time since
he came up after summer vacation - and I met
Jake Sass on the street this a.m. and had him
in with me for a few minutes - He asked par -
ticularly after you: also Mr Grier, just so.

Yours aff. father, W. J. Cheyney
